Retailer Comments

This vehicle won't be on the lot long! Packed with features and truly a pleasure to drive! A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized handling and performance with features such as: turn signal indicator mirrors, a power rear cargo door, and voice activated navigation. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. With a friendly and knowledgeable sales staff, superb customer care, and competitive prices, our dealership is a great place to do business.
