## Retailer Comments

How about this great vehicle! The more time you spend in this vehicle, the more you'll appreciate the engineering that went into it. A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized comfort and style by including: voice activated navigation, an outside temperature display, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive!
