## Retailer Comments

This Jaguar won't be on the lot long! This convertible delivers the thrill of top-down motoring while listening to the thunder of V-8 power. Prepare to be impressed! Jaguar prioritized comfort and style by including: a power convertible roof, cruise control, and power front seats. Jaguar made sure to keep road-handling and sportiness at the top of it's priority list. Smooth gearshifts are achieved thanks to the 5 liter 8 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
