Retailer Comments

This Jaguar won't be on the lot long! A great vehicle and a great value! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized fit and finish as evidenced by: voice activated navigation, a power rear cargo door, and power windows. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
