Retailer Comments

This Jaguar won't be on the lot long! Injecting the driving experience with world class power, precision and modern style! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized handling and performance with features such as: an automatic dimming rear-view mirror, heated door mirrors, and voice activated navigation. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
