## Retailer Comments

This vehicle won't be on the lot long! Sharply rendered both inside and out, this vehicle distinguishes itself among contenders! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: voice activated navigation, lane departure warning, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
