## Retailer Comments

This Jaguar won't be on the lot long! It comes equipped with all the standard amenities for your driving enjoyment. Jaguar prioritized practicality, efficiency, and style by including: heated and ventilated seats, a power rear cargo door, and cruise control. Jaguar made sure to keep road-handling and sportiness at the top of its priority list. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
