## Retailer Comments

Check out this 2026! It'll satisfy drivers and passengers seeking the ultimate in comfort and refinement. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized handling and performance with features such as: front and rear reading lights, a power rear cargo door, and more. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
