Retailer Comments

Your search is over! This vehicle won't be on the lot long! You'll appreciate its safety and convenience features! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized comfort and style by including: a built-in garage door transmitter, tilt and telescoping steering wheel, and remote keyless entry. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
