Retailer Comments

This vehicle won't be on the lot long! Injecting the driving experience with world class power, precision and modern style! The engine breathes better thanks to a turbocharger, improving both performance and economy. All of the premium features expected of a Jaguar are offered, including: an automatic dimming rear-view mirror, a power liftgate, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. We are here to help you.
