- Auto High-Beam Headlights

The 2.0L turbocharged four-cylinder engine paired with an eight-speed automatic transmission and all-wheel drive provides balanced capability for varied driving conditions. You'll enjoy 22 city miles per gallon and 27 highway miles per gallon, making this a practical choice for both daily commuting and longer journeys.

Inside, the cabin reflects thoughtful luxury through its perforated duoleather seat trim and satin charcoal ash veneer accents. Heated front sport seats with power adjustment ensure comfort across seasons, while the heated steering wheel and dual-zone automatic climate control create a personalized driving environment. The Pivi Pro connected navigation system keeps you oriented and informed throughout your travels.

Safety and convenience technologies integrate seamlessly into your driving experience. The 360-degree camera system, blind-spot monitors, and lane keeping assist work together to enhance awareness and control. Adaptive cruise control reduces fatigue on longer drives, while the power liftgate simplifies loading and unloading. Remote keyless entry and HomeLink garage door integration add layers of modern convenience.

The R-Dynamic S trim delivers premium appointments befitting this caliber of vehicle. With a tachometer, trip computer, and memory settings for both seat and steering wheel positions, every drive feels tailored to your preferences. The combination of rain-sensing wipers, rear fog lights, and heated door mirrors demonstrates attention to practical detail.

We invite you to experience this F-PACE firsthand in our showroom, where you can explore its commanding presence and refined interior at leisure. Our team stands ready to answer questions and discuss how this vehicle meets your driving needs.

Price does not include tax, title, and licensing fees.
