 Auto High-beam and Fully Automatic Headlights
 Heated Steering Wheel
 Leather Steering Wheel and Shift Knob
 Memory Seat and Steering Wheel Memory
 Emergency Communication System: Remote SOS Emergency Call
 Rear Parking Camera
 Automatic Temperature Control with Front Dual Zone A/C
 Power Liftgate

This F-PACE arrives with a 2.0L turbocharged four-cylinder engine and eight-speed automatic transmission paired with all-wheel drive, delivering 22 city and 27 highway fuel economy. The combination of power and efficiency provides practical performance for daily driving and longer journeys alike.

Inside, the cabin reflects Jaguar's commitment to luxury. The heated and ventilated massage front sport seats offer substantial comfort during extended drives, while the perforated duoleather seat trim enhances both aesthetics and functionality. Temperature controls manage the front dual zone A/C, allowing driver and passenger to maintain individual comfort preferences. The heated steering wheel and power-adjustable driver seat with memory settings ensure personalized driving dynamics every time you enter the vehicle.

Technology integrates seamlessly throughout the cabin. The Pivi Pro connected navigation system supports Apple CarPlay and Android Auto compatibility, while the Meridian 400W sound system delivers quality audio across 13 speakers. The heads-up display presents vital information directly in your line of sight, reducing the need to glance away from the road. Emergency communication through Remote SOS provides an added layer of security and peace of mind.

Exterior details reflect the R-Dynamic S designation. The 20" diamond-turned wheels command presence on the road, while auto high-beam headlights with delay-off functionality enhance visibility and convenience. The power moonroof opens the cabin to natural light, and the power liftgate simplifies loading and unloading cargo. Multiple fog lights and rear parking camera support confidence in various driving conditions.
