This vehicle runs at 22 miles per gallon in the city and achieves 27 miles per gallon on the highway, balancing performance with efficiency. The AWD system provides sure-footed traction across diverse road conditions, while the turbocharged engine delivers responsive power when you need it. With independent suspension at all four corners and speed-sensing steering, the F-PACE responds intuitively to your inputs, making both highway cruising and winding roads enjoyable.

Inside, the cabin welcomes you with premium touches throughout. Heated front sport seats with perforated duoleather upholstery provide comfort in any season, and the panoramic moonroof floods the interior with natural light. The power-adjustable driver and passenger seats include memory functions so your preferred position is always one step away. Dual-zone automatic climate control ensures individual comfort for front-row occupants, while rear window climate controls extend that comfort to passengers behind.

Technology serves as your trusted companion on every journey. The Pivi Pro navigation system provides seamless connectivity through Apple CarPlay and Android Auto, while the 13-speaker Meridian surround sound system transforms your drive into an immersive audio experience. The Heads-Up Display projects essential driving information into your line of sight, keeping your eyes where they belong—on the road. HomeLink technology lets you operate your garage door from the driver's seat, adding genuine convenience to your daily routine.

Safety receives comprehensive attention in this F-PACE. Dual front impact airbags work with front and side-impact protection to surround you with security. Electronic Stability Control and traction control systems help maintain stability even in challenging driving situations, while ABS brakes provide responsive stopping power. The rear-view camera assists with parking and low-speed maneuvering, and the Emergency SOS Communication system connects you with assistance when needed.

This red F-PACE P250 R-Dynamic S awaits your visit. Come experience the combination of luxury, performance, and purposeful design that defines this distinctive compact sport utility vehicle.
