Looking for a new car at an affordable price? This vehicle won't be on the lot long! You'll appreciate its safety and convenience features! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: front and rear reading lights, a power liftgate, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have.
