Retailer Comments

This Jaguar won't be on the lot long! Ingenuity, refinement, and sophistication all rolled into one vehicle. The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized practicality, efficiency, and style by including: front dual-zone air conditioning, front fog lights, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
