Retailer Comments

This Jaguar won't be on the lot long! This is an excellent vehicle at an affordable price! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized handling and performance with features such as: front and rear reading lights, heated seats, and much more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
