Retailer Comments

You won't want to miss this excellent value! Both practical and stylish! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized comfort and style by including: voice activated navigation, power door mirrors and heated door mirrors, and a split folding rear seat. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
