Retailer Comments

This Jaguar won't be on the lot long! Both practical and stylish! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized handling and performance with features such as: voice activated navigation, rain sensing wipers, and air conditioning. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
