Retailer Comments

This vehicle won't be on the lot long! It delivers style and power in a single package! A turbocharger further enhances performance, while also preserving fuel economy. With less than 40,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar infused the interior with top shelf amenities, such as: front and rear reading lights, an automatic dimming rear-view mirror, and leather upholstery. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
