Retailer Comments

How about this great vehicle! It comes equipped with all the standard amenities for your driving enjoyment. The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 50,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar prioritized fit and finish as evidenced by: front and rear reading lights, front fog lights, and leather upholstery. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
