LIVE MARKET PRICING A Better Way to Buy a Pre-Owned Vehicle At Crown Jaguar Land Rover, we believe purchasing a vehicle should be simple, transparent, and straightforward. That's why we use Live Market Pricing on our pre-owned inventory. We continually compare our vehicles to similar vehicles in the marketplace, considering factors such as year, model, trim, mileage, equipment, condition, certification, and current market availability. Our vehicles are then priced competitively based on today's market eliminating the traditional back-and-forth price negotiation. THE PRICE YOU SEE IS OUR MARKET PRICE. Rather than starting with an inflated price and asking you to negotiate it down, we price our vehicles competitively from the beginning. Market conditions can change, so our prices are reviewed regularly and may be adjusted as the market changes. No games. No inflated starting price. No unnecessary back-and-forth. Just transparent, competitive pricing designed to make buying your next vehicle easier. Clean CARFAX.
