The F-PACE delivers engaging driving dynamics paired with genuine comfort. The 3.0-liter turbocharged six-cylinder engine provides responsive acceleration, while the eight-speed automatic transmission ensures smooth gear changes in any driving condition. All-wheel drive enhances stability and traction, whether navigating city streets or varying road surfaces. The adaptive suspension system responds to changing conditions, maintaining a balanced ride that handles both spirited driving and daily commuting with equal competence.

Inside, the cabin reflects meticulous attention to detail. Heated and cooled performance seats wrapped in perforated leather provide comfort across seasons, while the heated steering wheel adds practicality during colder months. The Meridian premium audio system with eleven speakers delivers quality sound for your favorite music and podcasts. Pivi Pro navigation offers real-time routing and traffic information, seamlessly integrating with your smartphone through Apple CarPlay and Android Auto compatibility.

Safety remains paramount with comprehensive protection features including dual front and side impact airbags, electronic stability control, advanced traction management, and an emergency SOS system. The exterior parking camera provides clear visibility when reversing, giving you confidence in tight spaces. Anti-lock braking on all four wheels with brake assist enhances stopping power and control.

The Jaguar Certified designation confirms this vehicle meets exacting standards for condition and performance, providing assurance in your investment. With 11,000 miles on the odometer, this F-PACE represents an excellent opportunity to own a practically new luxury vehicle. The white exterior with 22-inch forged gloss black wheels creates a striking visual presence that commands attention on every road.

We invite you to experience the 2024 F-PACE P400 R-Dynamic S firsthand. Schedule your test drive today and discover why this luxury crossover continues to set the standard for performance, refinement, and dependable capability.
